

THINK OUTSIDE THE BOX!

Wand, hoses and other cleaning tools sold separately.

Tired of those unreliable, hard to transport and poor-performing "box extractors"? Move up to the **high performance, superior quality and mobility** of the Versaclean Portable Extractor.

FEATURES // // // //

- » **COMPACT.** Smaller footprint than leading competitors – only 19.75W × 39.5H × 32D in.
- » **BEST PERFORMANCE, LOWER AMP DRAW.** Optimizes CFM for better recovery and operates easily within the limits of 15-amp circuits
- » **LONG-LASTING RELIABILITY.** Uses best vac motor for better reliability and longevity.
- » **QUIET OPERATION.** Noise suppressor and housing design significantly reduce sound levels.

CONVENIENT & SAFE

EASY MAINTENANCE

THE PORTABLES LINEUP // // // //

	FEATURES
P 200 78-001	200 PSI
P 200H 78-002	200 PSI, 1750W heater
P 500 78-003	500 PSI adjustable. Pressure gauge.
P 500H 78-004	500 PSI adjustable. 1750W heater. Pressure gauge.
P 1200MS 78-005	Adjustable General High Pressure Pump. Pressure gauge. Auto-fill. Auto-pumpout.

Use with the HOSS 700 Rotary Tool: 67-025
