

## Axiom Clean Spotter (B343)

### Green Cleaning All-Purpose Professional Spotter

#### FOR PROFESSIONAL USE ONLY

**Removes a wide variety of common spots as part of your Green Cleaning system**

**APPLICATION:** Spotter, Green Cleaning

#### DESCRIPTION

Axiom Clean Spotter removes a wide variety of common residential and commercial spots on carpets, area rugs and upholstery. Use as a pre-cleaning spotter in combination with other Axiom cleaning products for superior low-VOC cleaning on every job! Fully biodegradable, butyl-free, phosphate-free and VOC-compliant. Formulated to meet or exceed major Green program guidelines. Use Axiom Clean Spotter in combination with the Axiom Clean 2-Step system for complete carpet maintenance.

#### FEATURES

- Powerful professional spotter for residential and commercial carpet and upholstery cleaning
- Formulated to meet or exceed major Green program guidelines
- Removes a wide variety of spots and stains from carpet and upholstery
- Biodegradable, butyl-free, phosphate-free and VOC compliant
- Mild pH is safe for all types of carpet including wool and stain-resistant nylon
- With polymer technology—leaves no sticky residues to attract soil
- Pleasant light and clean fragrance

**WHERE TO USE:** Use as a spotter to remove spots and stains from wool and synthetic carpet and water-cleanable upholstery.

#### USE DILUTION:

Ready to use—No mixing necessary.

#### USE DIRECTIONS:

1. Pre-test Axiom Clean Spotter in an inconspicuous location for colorfastness.
2. Remove any surface spot material. Apply Axiom Clean Spotter onto the spot, making sure to wet all stained areas.
3. Blot with clean absorbent white cloth. Larger stains may require light brushing, but do not rub. Work from the outside to the center of large spots.
4. Repeat if necessary. Rinse with clear water, or with hot-water extraction. Gently brush carpet or fabric to align fibers.

#### USAGE TIPS:

- Pre-test in an inconspicuous location for dye stability and upholstery shrinkage.
- Blot with clean white absorbent cloth. Do not rub. Deep spots may need light brushing.
- Work from the outside to the center of larger spots—make the spot smaller, not larger
- Brush fabric to align fibers after spot removal
- Use with other Axiom Clean products for your Green Cleaning system
