

**CHEMSPEC**

# Double Strength Inplant

Unique blend of detergents and surfactants allows quick and deep penetration into the fibers to emulsify and suspend soils. Formulated for use in in-plant rug cleaning equipment. Rugs dry fast to help prevent wicking and browning.

## SPECIFICATIONS

- Form: Powder
- RTU pH: 10.3

## SIZES • OPTIONS

- 104595 (C-INDTBK): One 50 lb. / 22.7 kg pail
