# Spot and Stain Kit (California compliant)

The most complete and easy to use spot and stain removal kit – features VOC-compliant products for sale in California. Standard size bottles makes it easy to replace them as they empty – no refilling hassle. Also includes trigger sprayers, terrycloth towels, and tamping brush, all packed in a durable shoulder bag.

Review these [Tech Tips](#) for expert guidance on spot and stain removal.

## FEATURES

- The Spot and Stain Kit includes 7 spotter solutions, allowing you to tackle almost any spot or stain you're likely to encounter. Each bottle can be reordered from your distributor using the part number provided.
- [Prochem Pro Spotter \(8.695-030.0\)](#): Go-to general purpose spotter fortified with Biosolv® citrus booster. Woolsafe approved.
- [Rust Remover \(C-RRCS\)](#): Removes even the toughest rust stains.
- [Prochem Paint, Oil and Grease Remover \(POG\) \(8.695-058.0\)](#): Quickly breaks down wet or dry paint stains, plus shoe polish, oil, and grease.
- [Prochem Citrus Gel \(8.695-105.0\)](#): Removes gum, tar, adhesives and oil spots.
- [Ink Exit \(C-IXITCS\)](#): Amazing water-based formulation makes ink and permanent marker disappear.
- [Stain Exit \(C-SECS\)](#): Fast acting one-part solution removes organic and natural dyes.
- [Red X It \(C-REDXITCS\)](#): Quickly removes synthetic dyes typically used in Kool-Aid, fruit juice and sports drinks.
- Also includes a durable shoulder bag complete with two trigger sprayers, a terrycloth towel and a tamping brush.
