# Fourguard® Carpet Protector 1:3

Our economical concentrated formulation for use on carpets and upholstery. Fourguard's advanced blend of protectants delivers superior protection against water- and oil-based soils and guards against abrasion caused by dry soils. Fourguard replenishes the carpet's original acid-dye blockers to provide lasting stain protection from soft drinks, sports drinks, ink, coffee, tea, wine, urine, and more. Dilute before use—see label for directions. For a ready-to-use version, see [Fourguard Carpet Protector](#).
