READ ALL INSTRUCTIONS AND PRECAUTIONS BEFORE USING INSTRUCTIONS

Use on water-cleanable carpet and upholstery. Always pre-test mixture on an inconspicuous area for dye stability and fiber compatibility, wait 30 minutes for maximum performance.

BROWNING REMOVAL: Mix 1 ounce Oxy Plus (B155) and 1 ounce Fiber Buff and 2 ounces of Fiber Fabric Shampoo (B105) per gallon of warm water.

For Carpet: Spray on browned area, allow 5 minutes dwell time, extract

For Upholstery: Whip mixture into a foam, apply foam to browned area, allow up to 5 minutes dwell time, vacuum. Repeat if needed. Use fan to accelerate drying. For severe browning use Prochem's Yellow Rx (B195).

ADDITIVE FOR CLEANING MIXTURES: Mix 1 ounce of Fiber Buff into carpet and upholstery cleaning solutions to reduce pH; helps to inhibit browning and dye bleeding.

pH: 5.5 at 1 oz per gallon of water

CAUTION: Use product only in well-ventilated area. To avoid skin irritation or slip hazards, do not walk on wet carpets with bare feet.

NOTICE: Product must be kept dry and stored at room temperature (59°F - 86°F/ 15°C - 30°C). Keep in sealed container when not in use. Product is not warranted if used for repack, improperly stored, or used in a manner not consistent with manufacturer's instructions. Dispose of unused product and waste water according to applicable local, state and federal regulations.

MISE EN GARDE : Utiliser ce produit uniquement dans un endroit bien ventilé. Pour éviter les irritations cutanées ou les risques de glisser, ne pas marcher sur les moquettes humides avec les pieds nus.

AVIS : Ce produit doit être gardé au sec et stocké à une température ambiante (15°C à 30°C/ 59°F à 86°F). Garder ce produit dans un contenant hermétique lorsqu'il n'est pas utilisé. Ce produit n'est pas garanti s'il est utilisé pour le réemballage, si son stockage est inapproprié ou s'il n'est pas utilisé conformément aux instructions du fabricant. Éliminez tout produit inutilisé ainsi que les eaux usées conformément à la réglementation locale, d'État/provinciale et fédérale.
