Disinfectant Spray Plus

The right antimicrobial for restoration jobs, with broad-spectrum kill (cide) claims PLUS stasis capabilities that inhibit future growth of bacteria and fungi (bacteriostatic and fungistat claims), Disinfectant Spray Plus is effective against bacteria, fungi, mold and mildew, plus it can be used on both porous and non-porous surfaces. Use this broad-spectrum disinfectant after cleaning for decontamination applications including flooding, sewage backups, removal of carcasses, and more (see product label for additional applications). Not available in California. In Canada, ask for Canadian [Disinfectant Spray II](#).

FEATURES

- Mildewcide, fungicide and bactericide.
- Suitable for use on carpets, upholstery and mattresses.
- Also available in a [fragrance-free formulation](#) for use in areas where scent sensitivities are a concern.
- Not available in California.
- In Canada, ask for [Mediclean Disinfectant Spray II](#).
