

# Detailer Kit for Versatile Deep Cleaner

The Detailer Kit and its components attach to the Versatile Deep Cleaner and is designed for auto enthusiasts detailing their own vehicles, or those entrepreneurs with a professional detailing business. From carpet to upholstery to headliner – this kit cleans it all!

- 3.5” stainless steel carpet wand with view window.
- 3.5” stainless steel upholstery wand with view window for auto interiors and headliners – a low moisture tool that cleans without soaking or saturating the backing or padding for quicker drying times.
- Stainless steel crevice tool for cleaning between seats and consoles – tight areas that cannot be reached with other tools.
- 10 ft. vacuum and solution hose, plus connector.
