

Home Kit for Versatile Deep Cleaner

The Home Kit and its components attach to the Versatile Deep Cleaner and it's designed for homeowners, apartment dwellers, daycare facilities, small offices, home healthcare, etc., that want professional power and heat when spot cleaning on carpet, stairs, area rugs and upholstery. If you like to do-it-yourself – this kit's for you!

- 8" cleaning wand with clear head for spots, stairs and small area rugs.
- 3.5" deep cleaning wand with clear head for heavily soiled stairs and spots.
- 3.5" low-moisture wand for surface cleaning upholstery- cleans without soaking or saturating the backing or padding for quicker drying times.
- Crevice tool for cleaning between non-removable cushions on chairs and couches – even vinyl window sills!
- 10 ft. vacuum and solution hose, plus connector.
