

**CHEMSPEC**

## EncapBrite SR

Our highly concentrated encapsulation cleaner provides effective, economical interim carpet maintenance cleaning. Includes a powerful soil-resistant component that dramatically reduces the surface energy of fibers and helps prevent soils from bonding with fibers after cleaning.

### SPECIFICATIONS

- **Form:** Liquid
- **RTU pH:** 8.6
- **Storage and transport:** Protect from freezing

### SIZES ▪ OPTIONS

- **104406 (C-SRRB4G):** Four 1 gal. / 3.8 L bottles
