

Clean Green (S777)

Extraction detergent for commercial and residential carpet, and restoration cleaning

FOR PROFESSIONAL USE ONLY

Non-ionic for restoration Compatible with cationic deodorizers and cleaners

APPLICATION: Extraction Detergent

DESCRIPTION: Clean Green's unique non-ionic formulation makes it perfect for uses in restoration situations where cationic cleaners and disinfectants will be used on synthetic carpets, upholstery and textiles. Emulsifies and removes soils related to water restoration, sewage remediation and oily soils found in fire damage restoration situations. Formulated to meet specifications for use on fifth generation carpets, and low foaming for truckmount and portable extractors. Non-ionic for restoration, compatible with cationic deodorizers and cleaners.

FEATURES

- Unique nonionic detergent system cleans oily, greasy soil
- Excellent cleaning on residential and commercial carpet
- Premium cleaning at an affordable price.
- Meets specifications for use on stain-resistant carpet
- Low foaming for truckmount and portable carpet extractors.
- Compatible with Prochem's Duo deodorizers for cleaning and deodorizing commercial carpet.

WHERE TO USE

Residential and commercial hot water extraction carpet cleaning.
Restaurants and other locations with oily, greasy soil.

USE DILUTION:

Truckmount: 3 cups / 5 gallons

Portable: ½ to 1½ oz. / 5 gallons

USE DIRECTIONS:

Pre-test in an inconspicuous location.

Truckmount Extractors: Mix 3 cups into 5 gallons of warm water until completely dissolved to make truckmount concentrate for use in chemical injection system. For stain-resistant carpet, set truckmount chemical injection system for 2 gallons per hour. For commercial and non-stain-resistant carpet, set truckmount chemical injection system for 3-4 gallons per hour.

Portable Extractors: For stain-resistant carpet, mix ½ to ¾ ounces per 5 gallons of hot water. For commercial and non-stain-resistant carpet, mix 1 to 1½ ounces per 5 gallons of hot water.

COVERAGE: Makes up to 900 ready-to-use gallons. One ready-to-use gallon cleans approximately 400 square feet. Coverage will vary depending on soil level and thickness and absorbency of carpet.

USAGE TIPS:

- For best results, pre-spray with Ultracpac Trafficlean. Post-spray with All Fiber Rinse for a softer carpet hand after cleaning.
- Add ½ to 1 oz. Chemspec Energizer per gallon of RTU detergent for extra cleaning power— 6 to 8 oz in truckmount stock tank.
