

PROCHEM.

Power Solvent

This specialty volatile dry spotter for carpet, upholstery and other solvent-safe surfaces such as porcelain and ceramic tile quickly dissolves and removes tape adhesives, glue, oil-based paint, tar, grease and other difficult solvent soluble spots. Power Solvent is fast-acting, evaporates completely, and does not require rinsing. Contains no chlorinated solvents that can damage carpet and fabrics, and no ozone-depleting compounds.

SPECIFICATIONS

- RTU pH: N/A
- **Dilution:** Ready to Use, No Dilution Necessary

SIZES • OPTIONS

- **122592 (8.695-055.0):** Twelve 16 oz. / 473 mL bottles
- **105851 (8.695-054.0):** Twelve 1 qt. / 0.9 L bottles
